General Manager

Unipak™, a family-owned and operated business, has been at the forefront of delivering personal barrier protection and food packaging solutions to Kiwi businesses for over two decades.

Founded in 2004 by our Director, Julian Anderson, he identified a market need for quality products coupled with exceptional service, marking the beginning of the Unipak™ journey.

With a profound understanding of local requirements and a keen eye on global trends, we are your reliable partner in high-quality food packaging and personal barrier protection solutions. We embrace change, continually striving to offer dependable products that benefit our customers.

100% New Zealand owned

Why Unipak™?

At Unipak™, we believe in building strong partnerships with our customers. For over 20 years, we've been a trusted supplier of innovative and reliable food packaging and personal protection solutions to businesses throughout New Zealand.

Industry know-how & global connections

Our team boasts extensive experience in the food packaging and personal protection sectors. We leverage our robust global connections to deliver the latest product innovations and materials. By staying attuned to industry trends and New Zealand regulations, we ensure you have access to solutions that genuinely enhance your business operations.

Customer focus at the forefront

Keeping our customers happy is a top priority at Unipak™. We get things done right and communicated clearly, and we listen closely to what you need. We're open to new ideas and willing to take calculated risks to bring you the best solutions. Our flexible approach allows us to react quickly and adapt to your changing requirements. Our product range grows 10%+ per year, enabling us to provide you with more packaging and protection solutions for your business year-after-year.

Nationwide support & swift dispatch

Unipak™ has a nationwide footprint in New Zealand. Unipak™'s headquarters is based in Whanganui, with a team of dedicated sales representatives based across both islands. Our large, well-stocked warehouse facilitates efficient storage and distribution, supporting our commitment to fast service with same-day dispatch for orders placed before 3pm.

Sustainability & ethical sourcing

At Unipak™, we take our role in environmental and social responsibility seriously. We carefully select suppliers who meet the highest certification standards, ensuring that the products we offer are reliable, safe, and ethically sourced. While sustainability is an integral part of our Green Choice range, we continuously seek to expand the eco-friendly options available to you. Our goal is to assist you in achieving your business objectives, with a conscientious approach to the environment where applicable.

Trusted Advisors

Two decades of sourcing and supplying the very best personal protection and food packaging products. And we're only just getting started.

Trust us to bring you the best. Best quality. Best materials. Best innovations. Best service.

Our consultants based throughout New Zealand are experienced, knowledgeable, and generous with their time. They are well equipped to inform you of our product range, benefits, and industry regulations - so you always receive the right solution for your business.
